Redefining interior spaces to enrapture refined senses

At MARANO, we transform cherished homes into fascinating mindscapes. Where every piece of furniture is an expression of our artists' heart and mind, created with skilful mastery and meticulous dedication, from conception to outcome.

Inspired by our world, created for your indulgence

Our designers constantly draw inspiration from the world around us, and our artisan craftsmen lend their meticulous touch in every skilful stitch and exquisite finish. We breathe life into designs we love, to bring you luxury furniture of the finest quality and beauty.

Explore the inner landscapes of our heart and mind with the beautiful collections carefully put together by our designers and craftsmen for your living and dining fancies, where each piece tells a unique story of its journey from inspiration to final product, of highest quality and workmanship, for your interior space.

Our Brand Promise

MARANO is committed to creating high-end furniture that is not only aesthetically remarkable and of exceptional quality, but also environmentally sustainable. Our designer furniture is made through skilled craftsmanship and rigorous quality control, using eco-friendly materials and techniques, for comfort and quality that last.

Our Story

Over a decade ago, MARANO's founder gathered a team of accomplished artisans to provide premium designer furniture to luxury brand boutiques. The observation that many innovative furniture design ideas went unrealised due to lack of opportunities to actualise them spurred our founder to groom such budding designers, bringing them on board his own furnishing outfit MARANO to bring their ideas to life.

Determined to inject new life into the high-end furniture world, our founder worked with his team to introduce intricate artisan elements to enhance designs. Our extensive experience with both exquisite and innovative materials ensures that MARANO's high quality furniture is not only aesthetically pleasing but also functionally durable. To date, MARANO is proud to be a supporter of revolutionary designs and impeccable artistry and workmanship, through which we aspire to bring you high quality furniture that truly inspires.

Sustainable Furnishing

Since time immemorial, the home is our safe haven. More than that, MARANO now invites you to actualise your mindscape, bringing to life the beautiful interior designs of your conceptualisation into reality with our environmentally sustainable designer collections.

Produced using eco-friendly and sustainable resources, our designer furniture will not only delight you and your loved ones, but also boost your environmental conservation efforts as part of our corporate sustainability strategy.

Materials & Craftsmanship

At MARANO, we have a profound respect for exquisite craftsmanship, honed from years of rigorous practice to attain mastery. Mastery that animates our purposeful premium furniture designs through top quality materials and finishings, bringing out each masterpiece's essence and timelessness, fulfilling your aesthetic desires for a beautiful home.

Our Artisans & Designers

The talent and mastery of our designers and craftsmen are embodied within every piece of our designer furniture, each an impressive work of art born from their aesthetic synergy. Marvel their creative virtuosity and decades of dedication, etched into every piece of MARANO furniture, aspiring to bring to life your inner landscapes through functional and beautiful furnishing.

ROSE WINDOW

A stroll through picturesque European cities and one must surely stop to admire the formidable architecture of ancient cathedrals. Towering above with a magnificent yet mysterious presence, the single rose window, set within solid stone walls, commands one's gaze and is the muse for our Rose Window collection.

Entering the sanctuary, a spectacular burst of colours enthralls in its intricately patterned circular pane, an arresting juxtaposition with the sombre ambience. A mesmerising design of perfect composition, the intricate rose window casts iridescent hues as sunlight filters in, creating a sense of harmony and beauty.

Taking inspiration from the rose window's exquisite circularity, this collection features scatter designs that reminisce the filtering of light through the rounded panes, upholstery of rich shades inspired by the rose window's brilliant colours, as well as premium Roman natural marble and impeccable finishes, European sentiments of the ancient frame encasing the colourful stained glass of the rose window's scintillating countenance.

BAZANI Bar Cabinet

Illuminating Burst of Elegance

Like the exquisite rose window catching the sunlight filtering through, then scattering it and illuminating the interior of ancient churches, the distinctive contrast scatter design on the BAZANI Bar Cabinet will be the highlight of your private sanctuary.

Created through precise UV printing technology, the motif features ornate gold lines and beads radiating from a gleaming nexus, set in elegant contrast to a sleek black exterior with elegant bronze hairline finish, reminisce of sun rays filtering through ancient windows. The internal shelves of black panels and finest Nappa leather that is durable yet beautifully sumptuous exude a quiet elegance befitting this piece.

Meticulously constructed by master craftsmen, the cabinet's handles are made from pure metal with a smooth finishing, an ode to the rose window as they bloom like the evening primrose on a starry night.

MENDO Dining Table

Romantic European Splendour

Reminiscent of European grandeur of olden days, the MENDO Dining Table is made of beautiful Roman natural marble with exquisite patterned grains, calling to mind the dignified poise of renaissance architecture.

Featuring rounded edges, accentuated with seamless decorative bronze strips in hairline finish and bordered with hardwood veneer, the MENDO Dining Table showcases a timeless yet chic design. Meticulous joinery techniques using hardwood veneer and stainless steel bronze hairline finish create a brilliant illusion of precarious balance that makes the MENDO Dining Table both exceptionally sturdy and aesthetically pleasing, lending a touch of romantic elegance, yet exuding a hint of ancient magnificence.

TAVIO Dining Table

Chic Renaissance Sentiments

The TAVIO Dining Table is made of luxurious Roman natural marble with brilliantly patterned grains, reminiscent of the grand architecture of ancient Europe. Supported on a rounded hardwood and brushed brass-capped base that forms a stylistic M, a nod to our MARANO brand, the illusion of such delicate balance belies the sturdiness of this fashionable piece.

The TAVIO Dining Table is outlined with a hardwood veneer border, accented with seamless decorative bronze strips inlay in hairline finish that is sleek and enduring. Admire the impeccable joinery techniques using hardwood veneer and stainless steel bronze hairline finish, all of which create an arresting visual of a masterpiece born from both traditional and contemporary elements.

FIREWORKS

On an evening of exceptional good fortune, one might find himself marvelling at a grand display of fireworks shooting into the night skies. Marring the peaceful silence, they whistle through gradual ascents, then burst out in a myriad of awe-inspiring colours and stunning patterns, leaving one momentarily enthralled. And before one totally subsides, the next flies into the air, taking us on a spellbinding journey of dazzling sights.

The Fireworks collection aspires to capture such fleeting moments of brilliance by immortalising them in its designs, where natural veneer is spliced to recreate the beautiful flare of firework bursts, and the playing up of colours in the upholstery calls to mind the dynamic firework colours lighting up the dark sky.

Through the ingenious application of contrast in colour combinations and details, much like the way darkness offsets dazzling firework light ups, the Fireworks collection will remind you of the memorable exhilaration of watching fireworks illuminate the night.

ALONA Dining Table

Charming Resplendence

The magnificent ALONA Dining Table is composed of Roman natural marble with ebony veneer and bronze hairline finish. Set on a mesmerising base showcasing a clever illusion of interweaving twines, gracefully overlapping, it reminds of fireworks shooting up into the sky, captivating lines that explode into a beautiful burst of illumination and colours.

The ALONA Dining Table showcases a wide table top of Roman natural marble with beautifully formed grains. Complemented by classy natural ebony veneer and a sophisticated stainless steel bronze hairline finish, this is an impressively resplendent piece worthy of the centrestage in your dining space. The hypnotic cascading base design catches the eye with a visual of irregularity within its circular structure, a lively touch that brings this beautiful piece to life.

CUCCO Sideboard

Flare of Magnificence

The visually arresting CUCCO Sideboard features a flare pattern of ebony veneer parquet, a creative impression of the fireworks burst imprinted through meticulous splicing of natural veneer of contrasting parquet grains. The unique concave and convex door panels present a striking visual juxtaposition, immortalising a fleeting spectacular moment into a masterpiece of beauty.

The CUCCO Sideboard is constructed with a natural black marble top with contrasting white grains, framed within a bronze hairline finish border, its grains creating a fluid contrast with the door panels' flare design. Lined with first-class Nappa heavy leather, its shelves are sumptuously made for a luxurious touch, yet are easy to care for, a perfect union of function and aesthetics.

DOVICO Bar Cabinet

Radiance in Full Bloom

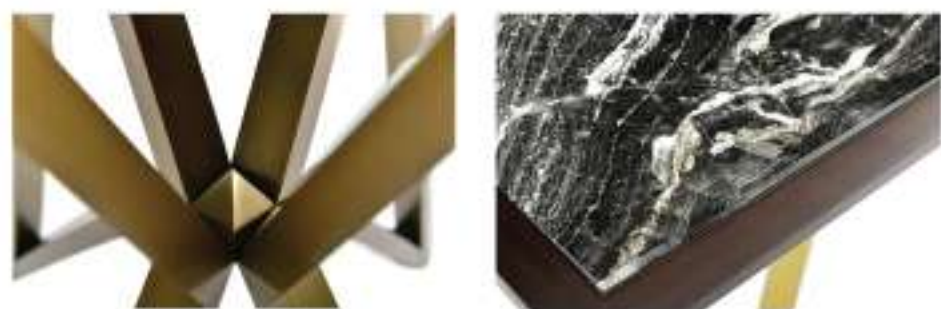

A stylised impression of the firework flare adorns the doors of the DOVICO Bar Cabinet, skilfully crafted by hand. Featuring a surface of ebony veneer and bronze hairline finish, complemented with metal handles in the shape of a radiant floral aerial pattern, one is presented with an amazing rendition of fireworks blossoming in the air.

Varying every so slightly in texture, the natural parquet grains ensure no two cabinets are exactly the same, lending a touch of uniqueness to every piece. Crafted with first-class Nappa heavy leather, the shelves are lavishly made for a durable temperament yet luxurious texture, boasting of an extravagant yet delicate touch.

Supported on a finely crafted M-shaped stainless steel base in bronze hairline finish, inspired by the letter M in MARANO, this functional yet beautiful piece forms an eye-catching illusion of balance, lending a touch of avant-garde to your space.

LERUS Dining Table

Stylish Spectacular Brilliance

Reminiscing stunning fireworks against night skies, the LERUS Dining Table showcases a natural marble top with contrast grains of white on black, and a border of walnut veneer and black hairline finish for a touch of elegance.

The LERUS Dining Table is made from frost-resistant natural luxury black marble with exquisite white grains, calling to mind the trails of firework brilliance in the aftermath of a spectacular display of dazzle.

POKER FANTASIA

The game of poker is intriguing in its similarity to life. To show or fold one's hand, playing with imagination and finesse where, like life, nothing is certain except for uncertainty, surely requires intelligence, discernment and a dash of boldness.

Partake in poker's philosophy to life through our Poker Fantasia collection, which takes the elements of this thrilling game and transforms them into enchanting furnishing to tantalise the senses. Inspired by the lively plays and card suits of poker, each exquisite piece is reminiscent of the pitting of wits in a riveting game, and an astute choice for the winning ambience of your interior space.

Symbols of the suits are artfully incorporated into handles or imprinted onto lavish upholstery, lending a touch of avant-garde chic. Complemented by striking solid colours, the Poker Fantasia collection makes a bold yet sophisticated impression of extravagance and flair.

MOROSI Sideboard

The suit of diamonds takes centrestage with the MOROSI Sideboard, featuring exquisite diamond motifs of parquet veneer with a concave-convex design for a unique sensory experience. Elegantly played up by bespoke diamond-shaped handles of pure natural marble in ivory, the MOROSI Sideboard is a work of distinctive creativity and precision.

Exquisiteness of Diamonds

Supported on a sleek metal base structure featuring contrast bronze and black hairline finish, the MOROSI Sideboard opens to reveal ample storage with deluxe shelving of sumptuous top-grade Nappa heavy leather, buttery soft to the touch, beautifully stitched for lasting elegance. Movement-activated LED sensor lights illuminate the interior instantaneously at the swing of its doors, enhancing functionality within a superb design.

The EMSTRA Armchair has a sturdy frame of solid pinewood and plywood that perfectly supports the tufted back, lending a delightful touch of timelessness to its contemporary design. Supported on legs of walnut sealed with black lacquer for protection and bronze hairline finish, complement with the EMSTRA Pouf to complete the look for a magical concoction of utility and style.

EMSTRA Armchair

A Whimsical Delight

Let the enchantment begin with the EMSTRA Armchair, inspired by The Playing Cards of Alice's Wonderland.

Upholstered in premium black cotton linen in jacquard weave, with a bespoke design of poker symbols and whimsical patterns, this piece features a tufted backrest for a gorgeous silhouette. The unique backrest upholstery is complemented perfectly by yellow stone-washed polyester and cotton upholstery from France on its seat, for exceptional softness and chic comfort.

Evolution of Time

There is exquisite beauty in the passage of time. A beauty that is fleeting, like the catching of a stranger's eye in a serendipitous moment. A beauty that is enduring, like the wizened trunks of venerable trees, whispering tales of old. A beauty that tells stories of the past and foretells the future to come. A beauty to live in the present before it fades away all too soon.

The Evolution of Time collection speaks of nature's kaleidoscopic creations and invites you on a journey to discover timeless artistry, where time leaves its imprint, whether temporal or permanent, and creates stunning masterpieces.

From the aged bound covers of ancient volumes to the perpetual cycle of day and night, the Evolution of Time collection translates these amazing visuals and sights of natural phenomena into exquisite designs of timeless styles. Through contrasting colours and juxtaposition of curves and lines, the Evolution of Time collection is a beautiful reminder that time is relentless in its flow, yet a remarkable creator of art.

MIRAN Dining Table

A Regal Treasure

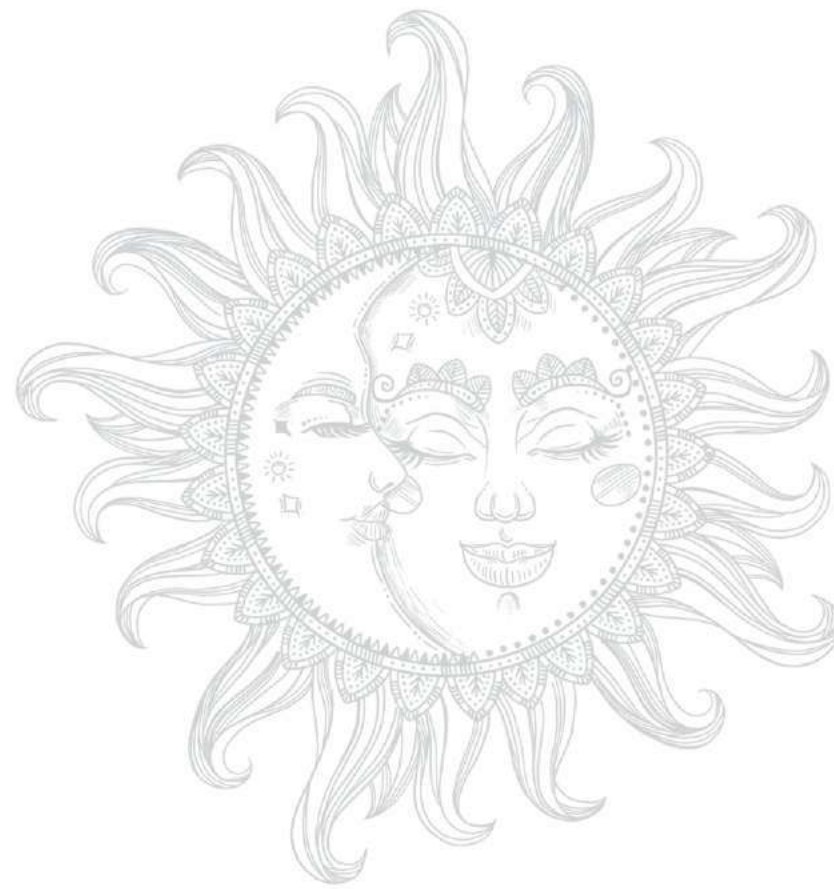

Ancient volumes command a hushed reverence, as one turns aged pages to behold historical records and tales of old, inspiring the design of the majestic MIRAN Dining Table.

The table boasts of a striking base made of sturdy walnut wood in bronze hairline finish, crafted through skillful joinery, in contrasting colours of black, gold and dark walnut, reminiscent of the opening of a treasured vintage book.

The table top of luxurious black natural marble showcases striking grains, exquisitely formed through the passage of time. Finished with classic rounded edges, it exudes an air of medieval nobility for a touch of regal elegance.

CARVA

Bar Cabinet

Ethereal Timelessness

There is an ethereal elegance in the passage of time, succinctly captured in the CARVA Bar Cabinet, featuring an impressive design incorporating both archaic and modern elements.

A layered motif of mountain wood grain and straight wood grain, resembling the flowing contours of a mountain, in combination with contrasting colours of black, gold and dark walnut, reminds of mythical books and ancient journals, bound by contemporary lines and curves.

The cabinet handle is a stylised design of the cross-section of trees, pulling which to reveal a luscious interior of sumptuous compartments for your storage needs, reminiscent of the opening of a vintage journal to espy the contents of a moment in time.

LUMI COLLECTION

VIENNA

Breathing Art Into Life, Living Life As an Art

Inspired by the luminaries of the 18th-century Vienna art movement, the Vienna Collection encapsulates avant-garde finesse. Within this collection, art and life merge seamlessly in a symphony of creative brilliance, giving birth to designs that are both daring and exquisite. Here, echoes of the past meet the innovations of the present, offering a harmonious dialogue between the artistic and the everyday. It's a testament to the enduring spirit of creativity that transcends time and breathes life into timeless beauty.

BERINI Sideboard

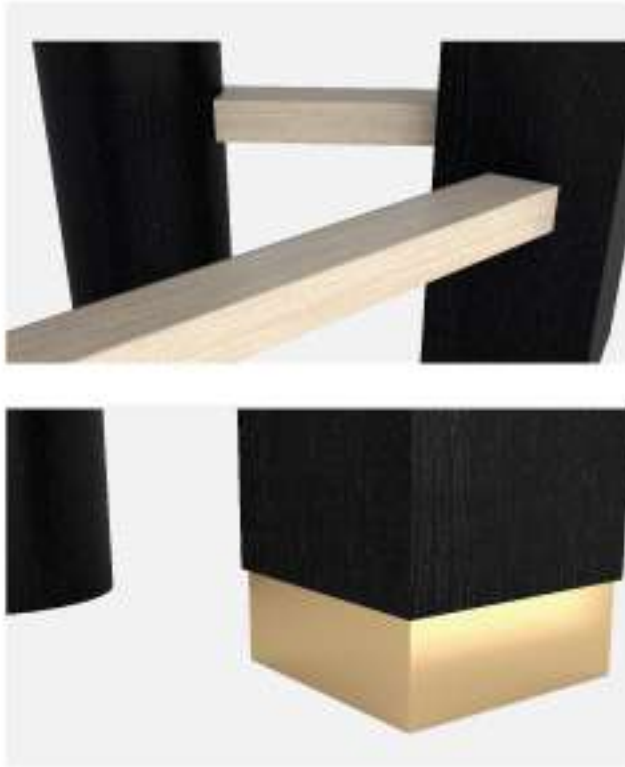

Juxtaposition in Style

Taking inspiration from Gustav Klimt's portrait "Adele Bloch-Bauer I", a work of eminence from his Golden Period, the BERINI Sideboard brings the painting's abstract squares to life in its riveting design. A spectacular display of squares in complementing black and beige outline, the sideboard sits on a quirky leg design featuring two differently positioned cylinders for a touch of avant-garde.

Featuring twenty-four square boxes over three layers, carefully pieced by alternate colours to make a bold aesthetic impression. Selected boxes are coloured gold, lending a subtle hint of opulence and lavish.

BERINI Dining Table

Sophistication in Artistry

Inspired by the works of Joseph Hoffmann, a leading figure in the Vienna Secession, characterised by austere and functional aesthetics, the BERINI Dining Table showcases a sophisticated elegance in its functionality, reflecting Hoffmann's belief in the importance of utility and rationality in design.

The resplendent marble tabletop, a testament to luxury, finds its poised perch atop the robust oak legs. These legs, a harmonious blend of cylindrical and cuboid forms, are artfully connected using the tenon and mortise technique, a testament to precise engineering and exquisite craftsmanship.

The BERINI Dining Table not only pays homage to the legacy of Joseph Hoffmann but also showcases the enduring marriage of form and function in design, a triumph of artistic vision and fine artisanship.

Mystically Spellbinding

The SCORPII Coffee Table showcases the signature barbed tail of a scorpion cradling its glass countertop and an enchanting water ripple effect beneath, representing fluidity that is associated with water signs, casting intricate patterns of light and shadow to create a mesmerising ambience.

Adding to the enchanting table top design is a bronze sphere that not only secures it, but also makes a visual analogy of Apollo's solar chariot in Scorpio's mythological lore, heightening the charm of this riveting piece.

SAGITTARIUS Coffee Table

Charismatic
Unconventionality

Bringing to life the Archer's signature pursuit of freedom, the SAGITTARIUS Coffee Table showcases an unconventional arrow head design unbound by regularity, resembling a gilded arrow pointing out uncharted territories that so entice the ever-curious Sagittarius.

Embodying the charismatic vitality of this zodiac sign, its meticulously crafted legs of solid walnut conjure visions of the Sagittarius' bow and arrow, poised and taut for action. A visually arresting centrepiece, the SAGITTARIUS Coffee Table makes a bold statement of unbridled creativity.

CAPRICORNI 2-Seater Sofa

Charmingly Inviting

Inspired by the Capricorn's stoic tenacity, the CAPRICORNI 2-seater Sofa is made for lasting comfort and beauty. Shaped like the arches of goat horns, the backrest runs seamlessly down to the armrests, embracing an expansive seating space. Upholstered in calming blue velvety

fabric and light gold silk fleece, the CAPRICORNI 2-seater Sofa exudes an understated brilliance that is both inviting and elegant.

AQUARIUS Sideboard

Artistically Dynamic

The Water Bearer calls to mind rolling blue waves, as is the inspiration for the AQUARIUS Sideboard. Composed of shades of blue, white and silver to depict the graceful beauty of water and the immense breadth of the cosmos, it is an artistic

take on the innovative spirit of the dynamic Aquarius. Set upon legs shaped like curling waves, the AQUARIUS Sideboard depicts undulating tides of vitality, creating a captivatingly enchanting showpiece symbolising the Aquarius free spirit.

PISCIUM Side Table

Gliding in Romanticism

The invigorating symbol of Pisces takes centrestage in the PISCIMUM Side Table, as abstract visions of sinuous fish bodies come to life in this refreshing design. The mesmerising table top creates an impression of a water surface, below which the twin fishes continue their

effortless graceful gliding to the ocean depths. Blue, sea green and white hues create a marine ambience, reflecting the romantic and imaginative sentiments of Pisces, resulting in a truly enchanting and artistic piece that is beautiful to behold yet aesthetically functional.
